"Great Golf Weekend"

★★★★★ Reviewed August 8, 2014

I planned a trip for eight to Swan Lake Resort for a bachelor party. We planned the event as a Stay and Play package with Lindsay and she walked me through everything. It was a painless, seamless process. Their package prices are very reasonable. We stayed in a log cabin and greatly enjoyed the rustic feel with full amenities. The fire pit was a great addition.

I planned our four round Ryder Cup format with Clint and he input all our info into their EZ golf system. Our carts were always waiting on us with bags ready, scorecards printed and everything squared away. We made some changes between rounds and it was very easy.

Everyone on staff was attentive and polite. Overall the experience was exceptional. Its only 2 hours from Chicago and we are already rebooking for a group of 16 next year!

Room Tip: Log Cabins are quaint but well appointed.

"Great Golf Trip w/Friends"

★★★★★ Reviewed June 10, 2014

We recently had a group of 16 guys stay at Swan Lake for the weekend where we played 72 holes of golf and stayed in the log cabins at the resort. During our time there we were provided excellent service by the staff in the pro shop, clubhouse bar and the outdoor golf staff. After our last rounds of golf each night we visited Dickie's for dinner and a few drinks. Once again we received top notch service. Our group will definitely be returning to Swan Lake for our next outing and many others after that. The best part of the resort is the staff which made us feel comfortable all weekend. Can't wait to return next year!

"Perfect golf Trip"

★★★★★ Reviewed August 16, 2014

Our group has been coming to Swan Lake for 5 years now and plan on returning again next year. They have everything you would need or want right at the resort. The staff was great and treated us as they truly appreciated our stay. The golf courses were in great condition and certainly provide a challenge. Our group has been doing an annual golf trip now for over 20 years and we have been to many places, Swan Lake is by far the best one we have encountered.

Room Tip: Our group really enjoyed the poolside rooms.

I have organized a Labor Day weekend golf trip for a group of 12 to 16 guys for the last 19 years. This past Labor Day weekend we had our first visit to Swan Lake Resort! It's simply the best we've experienced in 19 years! The staff, accommodations, food, and both golf courses were all top quality! The staff, especially, were extremely professional and made us feel important. It has already been decided that we will be returning next year! Great job Swan Lake!

"Love this place!"

★★★★★

We travel each September for our yearly group golf outing. This location was picked by the couple in charge this year. We had a group of 16 for the stay and play.

I am still amazed at how nice and helpful the staff is at this resort. From reservations, cleaning, restaurant and golf course, I have never met a nicer group of employees. If you needed it or forgot something, they took care of you.

We stayed in the hotel, the rooms are nice and spacious. The indoor pool, whirlpool and spa area are beautiful as well as the grounds. The golf course is in amazing shape for all of the play it gets.

We actually forgot three things in our room and they called to let us know. That still amazes me!

Thanks to a great staff for helping to make our trip pretty memorable!

Room Tip: We had a pool side room, but I don't think you could go wrong with any room!

"Excellent and very friendly overall"

Had a group of 12 that did the stay and play. The staff were so nice and they were very friendly. The course staff was very outgoing as well. The prices were very fair and courses looked great. There are also several food choices on the grounds which give many options. We stayed in the fairway house which looks smaller but trust me 12 of us stayed with no issues at all. Place would be a great getaway for group or smaller parties could stay in hotel. Again very nice staff, fair prices, and great experience.
